Interested in a Career in the Produce Industry?

Immerse yourself in the best ideas, most innovative products, and interact with produce and floral industry leaders, retail buyers, and food scientists from across the globe!

**Why:** The Produce industry is one of the few sectors of the economy that consistently hired throughout this public health crisis and continues to experience a tremendous demand for recent college graduates in the food, agriculture, renewable natural resources, and environment fields. (see ARE Update and USDA press release for additional information)

**What:** Sponsorship by the Produce Marketing Association (PMA), Dean’s office, and mentorship by UC Davis Alumni to virtually attend the PMA Fresh Summit held from October 13th-15th, 2020 in Anaheim,

**How:** Apply via Handshake (#4042794) by submitting a cover letter, resume and transcript by **September 30, 2020.** (ucdavis.joinhandshake.com/login)
