STUDENT PRESENTERS

WEDNESDAY, FEBRUARY 23

Priyal Thakral (Advisor: Steve Boucher)
Thesis Topic: Analysis of the impact of microfinance institutions and programs on poverty reduction, measured by household income and youth and female empowerment in sub-Saharan Africa.

Serena Leung (Advisor: Dalia Ghanem)
Thesis Topic: Examination of the long terms effects of Proposition 47 on crime, specifically larceny and motor vehicle thefts.

Andrea Gomez Lloret (Advisor: Aaron Smith)

Reception: Interested in conducting your own research and participating in the Undergraduate Honors Thesis Program? 30 Minute Q&A session with faculty and student presenters.

WEDNESDAY, MARCH 2

Rajvir Clair (Advisor: Kristin Kiesel and Jeffrey Williams)
Thesis Topic: Examination of the effectiveness of university policies used to mitigate student stress during the COVID-19 pandemic.

Huda Saleh (Advisor: Aaron Smith)
Thesis Topic: Investigation of the uses of cryptocurrencies like Bitcoin and Ethereum; could they replace national currencies and are they worth the hype?

Alexis Vivas Flores (Advisor: Ashish Shenoy)
Thesis Topic: Analysis of research investment per crop in different countries, testing the hypothesis that research investment is lower in poor and intermediate countries relative to high-income countries.

Natalie Huerta & Anh Le (Advisor: Kristin Kiesel)
